Jenin Museum of Folklore

The museum is located in the southeast of the city in the Haddad Tourist Village.The museum contains several sections that show the traditional lifestyle in both the Palestinian countryside and the civil house in Palestine, in addition to the details of daily life and the various daily activities, from the dairy industry, cheese, traditional taboon, and traditional agricultural methods, and it also contains classic games and other various daily activities. The museum building was designed in the style of the conventional Palestinian rural house, consisting of two floors. The upper floor is called Al Rozana, wooden buildings used for newly married couples, and the ground floor is used for the residence of the extended family.
