Al-Bad - Beit Lid

The old town included 212 heritage buildings, according to the survey of historical buildings in the village in 2000, including the Al-Bad building, which is an abandoned building consisting of an arch in the shape of a dome, and it is the building of an old olive press located in the village. The building has been restored and rehabilitated as a center for activities in Beit Lid and Tulkarm, and it includes the remains of the old olive press, such as the bedrock, the piston, and other tools.
