Addar Hotel

Addar Hotel is conveniently located at 10 St. George's Street in the East Jerusalem district of Jerusalem, just 1.6 km from the center. Together with its comfortable and clean rooms, the location of the hotel makes it very suitable for families, business travelers, budget/backpackers, and pilgrims visiting the Holy City on a pilgrimage. The family-run boutique hotel, owned by the Nusseibeh family—one of Jerusalem's oldest families—is a historic 19th-century building that was completely rebuilt in 1993, retaining its original entrance and façade. In 2013, the hotel was completely renovated and offers a variety of rooms with balconies and/or French windows. The hotel offers a variety of rooms, including singles, doubles, and suites. The airy rooms are simply decorated and include free Wi-Fi, cable TV, and safes, plus sitting areas and whirlpool tubs. Some rooms have balconies and/or kitchenettes. The Presidential Suite is located on the top floor, with impressive city views, making it arguably the ultimate hotel accommodation in Jerusalem. It has very spacious entertaining space. Guests at the hotel enjoy a complimentary breakfast served in the hotel garden or in the quaint restaurant that offers international and local dishes. The Bustan Addar Garden Restaurant serves gourmet international and local cuisine and is open for lunch and dinner, as well as afternoon snacks. Finally, the hotel includes other facilities and amenities such as a functional business center, a fitness room, free parking, and free Wi-Fi. Addar is a perfect location, close to both the Old City and the new City of Jerusalem. Within a short walking distance, guests can reach the Old City, access the Jerusalem Light Rail, and explore all that Jerusalem has to offer.
